

Donation Request

Please submit this completed form in person at any Eastern Utah Community Credit Union branch location. Forms must be received **four weeks prior to the project**. If a donation can be made, the organization contact will be notified.

Supporting EUCCU members is an important part of our purpose. We welcome opportunities to donate to non-profit organizations that serve our communities. Because numerous requests are received each year, EUCCU cannot contribute to all projects and/or groups. As many activities as possible are supported each year, however, donations are limited by budgetary constraints. **Unfortunately, not all donation requests can be filled.**
